

*Hilton Miami Downtown Parking Details*  
**FRA ANNUAL CONFERENCE**  
October 7-11, 2014\*

## **OVERNIGHT GUESTS**

VALET is the best option. We recommend that all FRA overnight guests use valet parking (tell the staff you are checking in) at the driveway at the entrance to the hotel off Biscayne Blvd. It is less expensive than self-parking. **However, valet parking is for overnight guests ONLY.** You will receive the parking validation sticker that allows the FRA rate from the hotel check in staff at the hotel registration desk. It is automatically charged at the FRA special rate of \$15/night to your room charges.

The VALET rate is **\$15 per night** and will automatically be charged to your room. It does not matter how many times you leave, if you are an overnight guest, the total charge for the day is \$15. ***Valet parking is the best option for FRA overnight guests.***

## **DAILY DRIVE-INS**

SELF-PARKING is the only option. The entrance is the same as the valet entrance, but there should be signs directing you either way. The FRA rate is **\$12/use**. You will be charged this rate any time you leave the garage and payment will be required at the exit gate each time.

## **PARKING VALIDATION REQUIRED FOR ALL GUESTS**

Everyone parking at the hotel, whether self-parking or valet, and whether overnight or just for the day, will need to receive parking validation passes/stickers that you have to show upon exit to receive the FRA reduced parking rates. Overnight guests will receive theirs as they check-in at the front desk. Folks driving in for the day will need to pick up their stickers at the **FRA registration desk**.

***These special rates are guaranteed from October 7 through October 11, 2014 at the hotel.***
