

PANAMA CITY CRA

DIRECTOR

Salary range: \$65,000-\$95,000

The Panama City Community Redevelopment Agency (CRA) is seeking qualified applicants for the position of Director. The ideal candidate will have a Master's Degree in Business Administration, Economic Development, Finance, Planning, Public Administration, or any other field related to community redevelopment, supplemented with a minimum of five years progressively responsible experience in a closely related area. Additional years of progressively responsible experience beyond the minimum of five years can also be substituted for the educational requirement on a year for year basis. Work experience must have demonstrated the ability to provide leadership to a business, organization or other entity that resulted in measurable outcomes.

Interested applicants should apply immediately. Those that have previously applied need not re-apply. Salary is DOQ.EEQ. Drug Screen and criminal history check required.
