163.463 Applicability of ch. 2002-294.

163.330 Short title.—This part shall be known and may be cited as the “Community Redevelopment Act of 1969.”

History.—s. 1, ch. 69-305.

163.335 Findings and declarations of necessity.

(1) It is hereby found and declared that there exist in counties and municipalities of the state slum and blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals, and welfare of the residents of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, constitutes an economic and social liability imposing onerous burdens which decrease the tax base and reduce tax revenues, substantially impairs or arrests sound growth, retards the provision of housing accommodations, aggravates traffic problems, and substantially hampers the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of slums and blight is a matter of state policy and state concern in order that the state and its counties and municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, and consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization, and other forms of public protection, services, and facilities.

(2) It is further found and declared that certain slum or blighted areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this part, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation; that other areas or portions thereof may, through the means provided in this part, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils enumerated may be eliminated, remedied, or prevented; and that salvageable slum and blighted areas can be conserved and rehabilitated through appropriate public action as herein authorized and the cooperation and voluntary action of the owners and tenants of property in such areas.

(3) It is further found and declared that the powers conferred by this part are for public uses and purposes for which public money may be expended and police power exercised, and the necessity in the public interest for the provisions herein enacted is declared as a matter of legislative determination.

(4) It is further found that coastal resort and tourist areas or portions thereof which are deteriorating and economically distressed due to building density patterns, inadequate transportation and parking facilities, faulty lot layout, or inadequate street layout, could, through the means provided in this part, be revitalized and redeveloped in a manner that will vastly improve the economic and social conditions of the community.

(5) It is further found and declared that the preservation or enhancement of the tax base from which a taxing authority realizes tax revenues is essential to its existence and financial health; that the preservation and enhancement of such tax base is implicit in the purposes for which a taxing authority is established; that tax increment financing is an effective method of achieving such preservation and enhancement in areas in which such tax base is declining; that community redevelopment in such areas, when complete, will enhance such tax base and provide increased tax revenues to all affected taxing authorities, increasing their ability to accomplish their other respective purposes; and that the preservation and enhancement of the tax base in such areas through tax increment financing and the levying of taxes by such taxing authorities therefor and

the appropriation of funds to a redevelopment trust fund bears a substantial relation to the purposes of such taxing authorities and is for their respective purposes and concerns. This subsection does not apply in any jurisdiction where the community redevelopment agency validated bonds as of April 30, 1984.

(6) It is further found and declared that there exists in counties and municipalities of the state a severe shortage of housing affordable to residents of low or moderate income, including the elderly; that the existence of such condition affects the health, safety, and welfare of the residents of such counties and municipalities and retards their growth and economic and social development; and that the elimination or improvement of such condition is a proper matter of state policy and state concern and is for a valid and desirable public purpose.

(7) It is further found and declared that the prevention or elimination of a slum area or blighted area as defined in this part and the preservation or enhancement of the tax base are not public uses or purposes for which private property may be taken by eminent domain and do not satisfy the public purpose requirement of s. 6(a), Art. X of the State Constitution.

163.336 Coastal resort area redevelopment pilot project.

(1) LEGISLATIVE INTENT.—

(a) The Legislature recognizes that some coastal resort and tourist areas are deteriorating and declining as recreation and tourist centers. It is appropriate to undertake a pilot project to determine the feasibility of encouraging redevelopment of economically distressed coastal properties to allow full utilization of existing urban infrastructure such as roads and utility lines. Such activities can have a beneficial impact on local and state economies and provide job opportunities and revitalization of urban areas.

(b) The Department of Environmental Protection shall administer a pilot project for redevelopment of economically distressed coastal resort and tourist areas. Such a pilot project shall be administered in the coastal areas of Florida's Atlantic Coast between the St. Johns River entrance and Ponce de Leon Inlet.

(2) PILOT PROJECT ADMINISTRATION.—

(a) To be eligible to participate in this pilot project, all or a portion of the area must be within:

1. The coastal building zone as defined in s. 161.54; and
2. A community redevelopment area, enterprise zone, brownfield area, empowerment zone, or other such economically deprived areas as designated by the county or municipality with jurisdiction over the area.

(b) Local governments are encouraged to use the full range of economic and tax incentives available to facilitate and promote redevelopment and revitalization within the pilot project areas.

(c) The Office of the Governor, Department of Environmental Protection, and the Department of Community Affairs are directed to provide technical assistance to expedite permitting for redevelopment projects and construction activities within the pilot project areas consistent with the principles, processes, and timeframes provided in s. 403.973.

(d) The Department of Environmental Protection shall exempt construction activities within the pilot project area in locations seaward of a coastal construction control line and landward of existing armoring from certain siting and design criteria pursuant to s. 161.053. However, such exemption shall not be deemed to exempt property within the pilot project area from applicable local land development regulations, including but not limited to, setback, side lot line, and lot

coverage requirements. Such exemption shall apply to construction and redevelopment of structures involving the coverage, excavation, and impervious surface criteria of s. 161.053, and related adopted rules, as follows:

1. This review by the department of applications for permits for coastal construction within the pilot project area must apply to construction and redevelopment of structures subject to the coverage, excavation, and impervious surface criteria of s. 161.053, and related adopted rules. It is the intent of these provisions that the pilot project area be enabled to redevelop in a manner which meets the economic needs of the area while preserving public safety and existing resources, including natural resources.
2. The criteria for review under s. 161.053 are applicable within the pilot project area, except that the structures within the pilot project area shall not be subject to specific shore parallel coverage requirements and are allowed to exceed the 50 percent impervious surface requirement. In no case shall stormwater discharge be allowed onto, or seaward of, the frontal dune. Structures are also not bound by the restrictions on excavation unless the construction will adversely affect the integrity of the existing seawall or rigid coastal armoring structure or stability of the existing beach and dune system. It is specifically contemplated that underground structures, including garages, will be permitted. All beach-compatible material excavated under this subparagraph must be maintained on site seaward of the coastal construction control line. However, during the permit review process under s. 161.053, the department may favorably consider authorized sand placement on adjacent properties if the permittee has demonstrated every reasonable effort to effectively use all beach-quality material on site to enhance the beach and dune system and has prepared a comprehensive plan for beach and dune nourishment for the adjoining area.
3. The review criteria in subparagraph 2. will apply to all construction within the pilot project area lying seaward of the coastal construction control line and landward of an existing viable seawall or rigid coastal armoring structure, if such construction is fronted by a seawall or rigid coastal armoring structure extending at least 1,000 feet without any interruptions other than beach access points. For purposes of this section, a viable seawall or rigid coastal armoring structure is a structure that has not deteriorated, dilapidated, or been damaged to such a degree that it no longer provides adequate protection to the upland property when considering the following criteria, including, but not limited to:
 - a. The top must be at or above the still water level, including setup, for the design storm of 30-year return storm plus the breaking wave calculated at its highest achievable level based on the maximum eroded beach profile and highest surge level combination, and must be high enough to preclude runup overtopping;
 - b. The armoring must be stable under the design storm of 30-year return storm including maximum localized scour, with adequate penetration; and
 - c. The armoring must have sufficient continuity or return walls to prevent flooding under the design storm of 30-year return storm from impacting the proposed construction.
4. Where there exists a continuous line of rigid coastal armoring structure on either side of unarmored property and the adjacent line of rigid coastal armoring structures are having an adverse effect on or threaten the unarmored property, and the gap does not exceed 100 feet, the department may grant the necessary permits under s. 161.085 to close the gap.
5. Structures approved pursuant to this section shall not cause flooding of or result in adverse impacts to existing upland structures or properties and shall comply with all other requirements of s. 161.053 and its implementing rules.

6. Where there exists a continuous line of viable rigid coastal armoring structure on either side of a nonviable rigid coastal armoring structure, the department shall grant the necessary permits under s. 161.085 to replace such nonviable rigid coastal armoring structure with a viable rigid coastal armoring structure as defined in this section. This shall not apply to rigid coastal armoring structures constructed after May 1, 1998, unless such structures have been permitted pursuant to s. 161.085(2).

(3) **PILOT PROJECT EXPIRATION.**—The authorization for the pilot project and the provisions of this section expire December 31, 2014. The department and affected local governments shall provide for an independent analysis of the economic value and environmental impact of the pilot project and provide a report to the Speaker of the House of Representatives and the President of the Senate on or before February 1, 2008.

Such agreement or resolution shall only determine that the area is blighted. For purposes of qualifying for the tax credits authorized in chapter 220, “blighted area” means an area as defined in this subsection.

(9) “Community redevelopment” or “redevelopment” means undertakings, activities, or projects of a county, municipality, or community redevelopment agency in a community redevelopment area for the elimination and prevention of the development or spread of slums and blight, or for the reduction or prevention of crime, or for the provision of affordable housing, whether for rent or for sale, to residents of low or moderate income, including the elderly, and may include slum clearance and redevelopment in a community redevelopment area or rehabilitation and revitalization of coastal resort and tourist areas that are deteriorating and economically distressed, or rehabilitation or conservation in a community redevelopment area, or any combination or part thereof, in accordance with a community redevelopment plan and may include the preparation of such a plan.

163.345 Encouragement of private enterprise.

(1) Any county or municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this part, shall afford maximum opportunity, consistent with the sound needs of the county or municipality as a whole, to the rehabilitation or redevelopment of the community redevelopment area by private enterprise. Any county or municipality shall give consideration to this objective in exercising its powers under this part, including the formulation of a workable program; the approval of community redevelopment plans, communitywide plans or programs for community redevelopment, and general neighborhood redevelopment plans (consistent with the general plan of the county or municipality); the development and implementation of community policing innovations; the exercise of its zoning powers; the enforcement of other laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements; the development of affordable housing; the disposition of any property acquired, subject to the limitations of s. 73.013; and the provision of necessary public improvements.

(2) In giving consideration to the objectives outlined in subsection (1), the county or municipality shall consider making available the incentives provided under the Florida Enterprise Zone Act and chapter 420.

163.346 Notice to taxing authorities.

Before the governing body adopts any resolution or enacts any ordinance required under s. 163.355, s. 163.356, s. 163.357, or s. 163.387; creates a community redevelopment agency; approves, adopts, or amends a community redevelopment plan; or issues redevelopment revenue bonds under s. 163.385, the governing body must provide public notice of such proposed action pursuant to s. 125.66(2) or s. 166.041(3)(a) and, at least 15 days before such proposed action, mail by registered mail a notice to each taxing authority which levies ad valorem taxes on taxable real property contained within the geographic boundaries of the redevelopment area.

History.—s. 8, ch. 84-356; s. 2, ch. 93-286; s. 13, ch. 95-310.

163.350 Workable program.

Any county or municipality for the purposes of this part may formulate for the county or municipality a workable program for utilizing appropriate private and public resources to eliminate and prevent the development or spread of slums and urban blight, to encourage needed community rehabilitation, to provide for the redevelopment of slum and blighted areas, to provide housing affordable to residents of low or moderate income, including the elderly, or to undertake such of the aforesaid activities or other feasible county or municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include provision for the prevention of the spread of blight into areas of the county or municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation or conservation of slum and blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds, and other public improvements, encouraging voluntary rehabilitation, and compelling the repair and rehabilitation of deteriorated or deteriorating structures; the development of affordable housing; the implementation of community policing innovations; and the clearance and redevelopment of slum and blighted areas or portions thereof.

History.—s. 5, ch. 69-305; s. 3, ch. 84-356; s. 3, ch. 94-236; s. 3, ch. 98-314.

163.353 Power of taxing authority to tax or appropriate funds to a redevelopment trust fund in order to preserve and enhance the tax base of the authority.

Notwithstanding any other provision of general or special law, the purposes for which a taxing authority may levy taxes or appropriate funds to a redevelopment trust fund include the preservation and enhancement of the tax base of such taxing authority and the furthering of the purposes of such taxing authority as provided by law.

History.—s. 21, ch. 84-356.

163.355 Finding of necessity by county or municipality.

No county or municipality shall exercise the community redevelopment authority conferred by this part until after the governing body has adopted a resolution, supported by data and analysis, which makes a legislative finding that the conditions in the area meet the criteria described in s. 163.340(7) or (8). The resolution must state that:

- (1) One or more slum or blighted areas, or one or more areas in which there is a shortage of housing affordable to residents of low or moderate income, including the elderly, exist in such county or municipality; and
- (2) The rehabilitation, conservation, or redevelopment, or a combination thereof, of such area or areas, including, if appropriate, the development of housing which residents of low or moderate income, including the elderly, can afford, is necessary in the interest of the public health, safety, morals, or welfare of the residents of such county or municipality.

History.—s. 6, ch. 69-305; s. 4, ch. 84-356; s. 4, ch. 94-236; s. 3, ch. 2002-294.

163.356 Creation of community redevelopment agency.

(1) Upon a finding of necessity as set forth in s. 163.355, and upon a further finding that there is a need for a community redevelopment agency to function in the county or municipality to carry out the community redevelopment purposes of this part, any county or municipality may create a public body corporate and politic to be known as a “community redevelopment agency.” A charter county having a population less than or equal to 1.6 million may create, by a vote of at least a majority plus one of the entire governing body of the charter county, more than one community redevelopment agency. Each such agency shall be constituted as a public instrumentality, and the exercise by a community redevelopment agency of the powers conferred by this part shall be deemed and held to be the performance of an essential public function. Community redevelopment agencies of a county have the power to function within the corporate limits of a municipality only as, if, and when the governing body of the municipality has by resolution concurred in the community redevelopment plan or plans proposed by the governing body of the county.

(2) When the governing body adopts a resolution declaring the need for a community redevelopment agency, that body shall, by ordinance, appoint a board of commissioners of the community redevelopment agency, which shall consist of not fewer than five or more than nine commissioners. The terms of office of the commissioners shall be for 4 years, except that three of the members first appointed shall be designated to serve terms of 1, 2, and 3 years, respectively, from the date of their appointments, and all other members shall be designated to serve for terms of 4 years from the date of their appointments. A vacancy occurring during a term shall be filled for the unexpired term. As provided in an interlocal agreement between the governing body that created the agency and one or more taxing authorities, one or more members

of the board of commissioners of the agency may be representatives of a taxing authority, including members of that taxing authority's governing body, whose membership on the board of commissioners of the agency would be considered an additional duty of office as a member of the taxing authority governing body.

(3)(a) A commissioner shall receive no compensation for services, but is entitled to the necessary expenses, including travel expenses, incurred in the discharge of duties. Each commissioner shall hold office until his or her successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the county or municipality, and such certificate is conclusive evidence of the due and proper appointment of such commissioner.

(b) The powers of a community redevelopment agency shall be exercised by the commissioners thereof. A majority of the commissioners constitutes a quorum for the purpose of conducting business and exercising the powers of the agency and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the bylaws require a larger number. Any person may be appointed as commissioner if he or she resides or is engaged in business, which means owning a business, practicing a profession, or performing a service for compensation, or serving as an officer or director of a corporation or other business entity so engaged, within the area of operation of the agency, which shall be coterminous with the area of operation of the county or municipality, and is otherwise eligible for such appointment under this part.

(c) The governing body of the county or municipality shall designate a chair and vice chair from among the commissioners. An agency may employ an executive director, technical experts, and such other agents and employees, permanent and temporary, as it requires, and determine their qualifications, duties, and compensation. For such legal service as it requires, an agency may employ or retain its own counsel and legal staff. An agency authorized to transact business and exercise powers under this part shall file with the governing body, on or before March 31 of each year, a report of its activities for the preceding fiscal year, which report shall include a complete financial statement setting forth its assets, liabilities, income, and operating expenses as of the end of such fiscal year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the county or municipality and that the report is available for inspection during business hours in the office of the clerk of the city or county commission and in the office of the agency.

(d) At any time after the creation of a community redevelopment agency, the governing body of the county or municipality may appropriate to the agency such amounts as the governing body deems necessary for the administrative expenses and overhead of the agency, including the development and implementation of community policing innovations.

(4) The governing body may remove a commissioner for inefficiency, neglect of duty, or misconduct in office only after a hearing and only if he or she has been given a copy of the charges at least 10 days prior to such hearing and has had an opportunity to be heard in person or by counsel.

History.—s. 2, ch. 77-391; s. 1, ch. 83-231; s. 6, ch. 84-356; s. 903, ch. 95-147; s. 4, ch. 98-314; s. 41, ch. 2001-266; s. 4, ch. 2002-294; s. 2, ch. 2006-307.

163.357 Governing body as the community redevelopment agency.

(1)(a) As an alternative to the appointment of not fewer than five or more than seven members of the agency, the governing body may, at the time of the adoption of a resolution under s. 163.355, or at any time thereafter by adoption of a resolution, declare itself to be an agency, in which case all the rights, powers, duties, privileges, and immunities vested by this part in an agency will be vested in the governing body of the county or municipality, subject to all responsibilities and liabilities imposed or incurred.

(b) The members of the governing body shall be the members of the agency, but such members constitute the head of a legal entity, separate, distinct, and independent from the governing body of the county or municipality. If the governing body declares itself to be an agency which already exists, the new agency is subject to all of the responsibilities and liabilities imposed or incurred by the existing agency.

(c) A governing body which consists of five members may appoint two additional persons to act as members of the community redevelopment agency. The terms of office of the additional members shall be for 4 years, except that the first person appointed shall initially serve a term of 2 years. Persons appointed under this section are subject to all provisions of this part relating to appointed members of a community redevelopment agency.

(d) As provided in an interlocal agreement between the governing body that created the agency and one or more taxing authorities, one or more members of the board of commissioners of the agency may be representatives of a taxing authority, including members of that taxing authority's governing body, whose membership on the board of commissioners of the agency would be considered an additional duty of office as a member of the taxing authority governing body.

(2) Nothing in this part prevents the governing body from conferring the rights, powers, privileges, duties, and immunities of a community redevelopment agency upon any entity in existence on July 1, 1977, which has been authorized by law to function as a downtown development board or authority or as any other body the purpose of which is to prevent and eliminate slums and blight through community redevelopment plans. Any entity in existence on July 1, 1977, which has been vested with the rights, powers, privileges, duties, and immunities of a community redevelopment agency is subject to all provisions and responsibilities imposed by this part, notwithstanding any provisions to the contrary in any law or amendment thereto which established the entity. Nothing in this act shall be construed to impair or diminish any powers of any redevelopment agency or other entity as referred to herein in existence on the effective date of this act or to repeal, modify, or amend any law establishing such entity, except as specifically set forth herein.

163.358 Exercise of powers in carrying out community redevelopment and related activities.

Each county and municipality has all powers necessary or convenient to carry out and effectuate the purposes and provisions of this part, including those powers granted under s. 163.370. A county or municipality may delegate such powers to a community redevelopment agency created under s. 163.356, except the following, which continue to vest in the governing body of the county or municipality:

(1) The power to determine an area to be a slum or blighted area, or combination thereof; to designate such area as appropriate for community redevelopment; and to hold any public hearings required with respect thereto.

- (2) The power to grant final approval to community redevelopment plans and modifications thereof.
 - (3) The power to authorize the issuance of revenue bonds as set forth in s. 163.385.
 - (4) The power to approve the acquisition, demolition, removal, or disposal of property as provided in s. 163.370(4) and the power to assume the responsibility to bear loss as provided in s. 163.370(4).
 - (5) The power to approve the development of community policing innovations.
 - (6) The power of eminent domain.

163.360 Community redevelopment plans.

- (1) Community redevelopment in a community redevelopment area shall not be planned or initiated unless the governing body has, by resolution, determined such area to be a slum area, a blighted area, or an area in which there is a shortage of housing affordable to residents of low or moderate income, including the elderly, or a combination thereof, and designated such area as appropriate for community redevelopment.
- (2) The community redevelopment plan shall:
 - (a) Conform to the comprehensive plan for the county or municipality as prepared by the local planning agency under the Community Planning Act.
 - (b) Be sufficiently complete to indicate such land acquisition, demolition and removal of structures, redevelopment, improvements, and rehabilitation as may be proposed to be carried out in the community redevelopment area; zoning and planning changes, if any; land uses; maximum densities; and building requirements.
 - (c) Provide for the development of affordable housing in the area, or state the reasons for not addressing in the plan the development of affordable housing in the area. The county, municipality, or community redevelopment agency shall coordinate with each housing authority or other affordable housing entities functioning within the geographic boundaries of the redevelopment area, concerning the development of affordable housing in the area.
- (3) The community redevelopment plan may provide for the development and implementation of community policing innovations.
- (4) The county, municipality, or community redevelopment agency may itself prepare or cause to be prepared a community redevelopment plan, or any person or agency, public or private, may submit such a plan to a community redevelopment agency. Prior to its consideration of a community redevelopment plan, the community redevelopment agency shall submit such plan to the local planning agency of the county or municipality for review and recommendations as to its conformity with the comprehensive plan for the development of the county or municipality as a whole. The local planning agency shall submit its written recommendations with respect to the conformity of the proposed community redevelopment plan to the community redevelopment agency within 60 days after receipt of the plan for review. Upon receipt of the recommendations of the local planning agency, or, if no recommendations are received within such 60 days, then without such recommendations, the community redevelopment agency may proceed with its consideration of the proposed community redevelopment plan.
- (5) The community redevelopment agency shall submit any community redevelopment plan it recommends for approval, together with its written recommendations, to the governing body and to each taxing authority that levies ad valorem taxes on taxable real property contained within

the geographic boundaries of the redevelopment area. The governing body shall then proceed with the hearing on the proposed community redevelopment plan as prescribed by subsection (6).

(6)(a) The governing body shall hold a public hearing on a community redevelopment plan after public notice thereof by publication in a newspaper having a general circulation in the area of operation of the county or municipality. The notice shall describe the time, date, place, and purpose of the hearing, identify generally the community redevelopment area covered by the plan, and outline the general scope of the community redevelopment plan under consideration.

(b) For any governing body that has not authorized by June 5, 2006, a study to consider whether a finding of necessity resolution pursuant to s. 163.355 should be adopted, has not adopted a finding of necessity resolution pursuant to s. 163.355 by March 31, 2007, has not adopted a community redevelopment plan by June 7, 2007, and was not authorized to exercise community redevelopment powers pursuant to a delegation of authority under s. 163.410 by a county that has adopted a home rule charter, the following additional procedures are required prior to adoption by the governing body of a community redevelopment plan under subsection (7):

1. Within 30 days after receipt of any community redevelopment plan recommended by a community redevelopment agency under subsection (5), the county may provide written notice by registered mail to the governing body of the municipality and to the community redevelopment agency that the county has competing policy goals and plans for the public funds the county would be required to deposit to the community redevelopment trust fund under the proposed community redevelopment plan.

2. If the notice required in subparagraph 1. is timely provided, the governing body of the county and the governing body of the municipality that created the community redevelopment agency shall schedule and hold a joint hearing co-chaired by the chair of the governing body of the county and the mayor of the municipality, with the agenda to be set by the chair of the governing body of the county, at which the competing policy goals for the public funds shall be discussed. For those community redevelopment agencies for which the board of commissioners of the community redevelopment agency are comprised as specified in s. 163.356(2), a designee of the community redevelopment agency shall participate in the joint meeting as a nonvoting member. Any such hearing must be held within 90 days after receipt by the county of the recommended community redevelopment plan. Prior to the joint public hearing, the county may propose an alternative redevelopment plan that meets the requirements of this section to address the conditions identified in the resolution making a finding of necessity required by s. 163.355. If such an alternative redevelopment plan is proposed by the county, such plan shall be delivered to the governing body of the municipality that created the community redevelopment agency and to the executive director or other officer of the community redevelopment agency by registered mail at least 30 days prior to holding the joint meeting.

3. If the notice required in subparagraph 1. is timely provided, the municipality may not proceed with the adoption of the plan under subsection (7) until 30 days after the joint hearing unless the governing body of the county has failed to schedule or a majority of the members of the governing body of the county have failed to attend the joint hearing within the required 90-day period.

4. Notwithstanding the time requirements established in subparagraphs 2. and 3., the county and the municipality may at any time voluntarily use the dispute resolution process established in chapter 164 to attempt to resolve any competing policy goals between the county and municipality related to the community redevelopment agency. Nothing in this subparagraph

grants the county or the municipality the authority to require the other local government to participate in the dispute resolution process.

(7) Following such hearing, the governing body may approve the community redevelopment and the plan therefor if it finds that:

- (a) A feasible method exists for the location of families who will be displaced from the community redevelopment area in decent, safe, and sanitary dwelling accommodations within their means and without undue hardship to such families;
- (b) The community redevelopment plan conforms to the general plan of the county or municipality as a whole;
- (c) The community redevelopment plan gives due consideration to the utilization of community policing innovations, and to the provision of adequate park and recreational areas and facilities that may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the plans;
- (d) The community redevelopment plan will afford maximum opportunity, consistent with the sound needs of the county or municipality as a whole, for the rehabilitation or redevelopment of the community redevelopment area by private enterprise; and
- (e) The community redevelopment plan and resulting revitalization and redevelopment for a coastal tourist area that is deteriorating and economically distressed will reduce or maintain evacuation time, as appropriate, and ensure protection for property against exposure to natural disasters.

(8) If the community redevelopment area consists of an area of open land to be acquired by the county or the municipality, such area may not be so acquired unless:

(a) In the event the area is to be developed in whole or in part for residential uses, the governing body determines:

- 1. That a shortage of housing of sound standards and design which is decent, safe, affordable to residents of low or moderate income, including the elderly, and sanitary exists in the county or municipality;
- 2. That the need for housing accommodations has increased in the area;
- 3. That the conditions of blight in the area or the shortage of decent, safe, affordable, and sanitary housing cause or contribute to an increase in and spread of disease and crime or constitute a menace to the public health, safety, morals, or welfare; and
- 4. That the acquisition of the area for residential uses is an integral part of and is essential to the program of the county or municipality.

(b) In the event the area is to be developed in whole or in part for nonresidential uses, the governing body determines that:

- 1. Such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives.
- 2. Acquisition may require the exercise of governmental action, as provided in this part, because of:
 - a. Defective, or unusual conditions of, title or diversity of ownership which prevents the free alienability of such land;
 - b. Tax delinquency;
 - c. Improper subdivisions;
 - d. Outmoded street patterns;

- e. Deterioration of site;
 - f. Economic disuse;
 - g. Unsuitable topography or faulty lot layouts;
 - h. Lack of correlation of the area with other areas of a county or municipality by streets and modern traffic requirements; or
 - i. Any combination of such factors or other conditions which retard development of the area.
3. Conditions of blight in the area contribute to an increase in and spread of disease and crime or constitute a menace to public health, safety, morals, or welfare.
- (9) Upon the approval by the governing body of a community redevelopment plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective community redevelopment area, and the county or municipality may then cause the community redevelopment agency to carry out such plan or modification in accordance with its terms.
- (10) Notwithstanding any other provisions of this part, when the governing body certifies that an area is in need of redevelopment or rehabilitation as a result of an emergency under s. 252.34(3), with respect to which the Governor has certified the need for emergency assistance under federal law, that area may be certified as a “blighted area,” and the governing body may approve a community redevelopment plan and community redevelopment with respect to such area without regard to the provisions of this section requiring a general plan for the county or municipality and a public hearing on the community redevelopment.

163.361 Modification of community redevelopment plans.

- (1) If at any time after the approval of a community redevelopment plan by the governing body it becomes necessary or desirable to amend or modify such plan, the governing body may amend such plan upon the recommendation of the agency. The agency recommendation to amend or modify a redevelopment plan may include a change in the boundaries of the redevelopment area to add land to or exclude land from the redevelopment area, or may include the development and implementation of community policing innovations.
- (2) The governing body shall hold a public hearing on a proposed modification of any community redevelopment plan after public notice thereof by publication in a newspaper having a general circulation in the area of operation of the agency.
- (3)(a) In addition to the requirements of s. 163.346, and prior to the adoption of any modification to a community redevelopment plan that expands the boundaries of the community redevelopment area or extends the time certain set forth in the redevelopment plan as required by s. 163.362(10), the agency shall report such proposed modification to each taxing authority in writing or by an oral presentation, or both, regarding such proposed modification.
- (b) For any community redevelopment agency that was not created pursuant to a delegation of authority under s. 163.410 by a county that has adopted a home rule charter and that modifies its adopted community redevelopment plan in a manner that expands the boundaries of the redevelopment area after October 1, 2006, the following additional procedures are required prior to adoption by the governing body of a modified community redevelopment plan:
1. Within 30 days after receipt of any report of a proposed modification that expands the boundaries of the redevelopment area, the county may provide notice by registered mail to the

governing body of the municipality and the community redevelopment agency that the county has competing policy goals and plans for the public funds the county would be required to deposit to the community redevelopment trust fund under the proposed modification to the community redevelopment plan.

2. If the notice required in subparagraph 1. is timely provided, the governing body of the county and the governing body of the municipality that created the community redevelopment agency shall schedule and hold a joint hearing co-chaired by the chair of the governing body of the county and the mayor of the municipality, with the agenda to be set by the chair of the governing body of the county, at which the competing policy goals for the public funds shall be discussed. For those community redevelopment agencies for which the board of commissioners of the community redevelopment agency are comprised as specified in s. 163.356(2), a designee of the community redevelopment agency shall participate in the joint meeting as a nonvoting member. Any such hearing shall be held within 90 days after receipt by the county of the recommended modification of the adopted community redevelopment plan. Prior to the joint public hearing, the county may propose an alternative modified community redevelopment plan that meets the requirements of s. 163.360 to address the conditions identified in the resolution making a finding of necessity required under s. 163.355. If such an alternative modified redevelopment plan is proposed by the county, such plan shall be delivered to the governing body of the municipality that created the community redevelopment agency and the executive director or other officer of the community redevelopment agency by registered mail at least 30 days prior to holding the joint meeting.

3. If the notice required in subparagraph 1. is timely provided, the municipality may not proceed with the adoption of a modified plan until 30 days after the joint hearing unless the governing body of the county has failed to schedule or a majority of the members of the governing body of the county have failed to attend the joint hearing within the required 90-day period.

4. Notwithstanding the time requirements established in subparagraphs 2. and 3., the county and the municipality may at any time voluntarily use the dispute resolution process established in chapter 164 to attempt to resolve any competing policy goals between the county and municipality related to the community redevelopment agency. Nothing in this subparagraph grants the county or the municipality the authority to require the other local government to participate in the dispute resolution process.

(4) A modification to a community redevelopment plan that includes a change in the boundaries of the redevelopment area to add land must be supported by a resolution as provided in s. 163.355.

(5) If a community redevelopment plan is modified by the county or municipality after the lease or sale of real property in the community redevelopment area, such modification may be conditioned upon such approval of the owner, lessee, or successor in interest as the county or municipality may deem advisable and, in any event, shall be subject to such rights at law or in equity as a lessee or purchaser, or his or her successor or successors in interest, may be entitled to assert.

2. Plans for the enforcement of state and local laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements.

3. Appraisals, title searches, surveys, studies, and other plans and work necessary to prepare for the undertaking of community redevelopment and related activities.

(i) To develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of slums and urban blight and developing and demonstrating new or improved means of providing housing for families and persons of low income.

(j) To apply for, accept, and utilize grants of funds from the Federal Government for such purposes.

(k) To prepare plans for and assist in the relocation of persons (including individuals, families, business concerns, nonprofit organizations, and others) displaced from a community redevelopment area and to make relocation payments to or with respect to such persons for moving expenses and losses of property for which reimbursement or compensation is not otherwise made, including the making of such payments financed by the Federal Government.

(l) To appropriate such funds and make such expenditures as are necessary to carry out the purposes of this part; to zone or rezone any part of the county or municipality or make exceptions from building regulations; and to enter into agreements with a housing authority, which agreements may extend over any period, notwithstanding any provision or rule of law to the contrary, respecting action to be taken by such county or municipality pursuant to any of the powers granted by this part.

(m) To close, vacate, plan, or replan streets, roads, sidewalks, ways, or other places and to plan or replan any part of the county or municipality.

(n) To organize, coordinate, and direct the administration of the provisions of this part, as they may apply to such county or municipality, in order that the objective of remedying slum and blighted areas and preventing the causes thereof within such county or municipality may be most effectively promoted and achieved and to establish such new office or offices of the county or municipality or to reorganize existing offices in order to carry out such purpose most effectively.

(o) To develop and implement community policing innovations.

(3) The following projects may not be paid for or financed by increment revenues:

(a) Construction or expansion of administrative buildings for public bodies or police and fire buildings, unless each taxing authority agrees to such method of financing for the construction or expansion, or unless the construction or expansion is contemplated as part of a community policing innovation.

(b) Installation, construction, reconstruction, repair, or alteration of any publicly owned capital improvements or projects if such projects or improvements were scheduled to be installed,

constructed, reconstructed, repaired, or altered within 3 years of the approval of the community redevelopment plan by the governing body pursuant to a previously approved public capital improvement or project schedule or plan of the governing body which approved the community redevelopment plan unless and until such projects or improvements have been removed from such schedule or plan of the governing body and 3 years have elapsed since such removal or such projects or improvements were identified in such schedule or plan to be funded, in whole or in part, with funds on deposit within the community redevelopment trust fund.

(c) General government operating expenses unrelated to the planning and carrying out of a community redevelopment plan.

(4) With the approval of the governing body, a community redevelopment agency may:

(a) Prior to approval of a community redevelopment plan or approval of any modifications of the plan, acquire real property in a community redevelopment area by purchase, lease, option, gift, grant, bequest, devise, or other voluntary method of acquisition; demolish and remove any structures on the property; and pay all costs related to the acquisition, demolition, or removal, including any administrative or relocation expenses.

(b) Assume the responsibility to bear any loss that may arise as the result of the exercise of authority under this subsection, in the event that the real property is not made part of the community redevelopment area.

163.380 Disposal of property in community redevelopment area.

The disposal of property in a community redevelopment area which is acquired by eminent domain is subject to the limitations set forth in s. 73.013.

(1) Any county, municipality, or community redevelopment agency may sell, lease, dispose of, or otherwise transfer real property or any interest therein acquired by it for community redevelopment in a community redevelopment area to any private person, or may retain such property for public use, and may enter into contracts with respect thereto for residential, recreational, commercial, industrial, educational, or other uses, in accordance with the community redevelopment plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it deems necessary or desirable to assist in preventing the development or spread of future slums or blighted areas or to otherwise carry out the purposes of this part. However, such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the community redevelopment plan by the governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the community redevelopment plan and may be obligated to comply with such other requirements as the county, municipality, or community redevelopment agency may determine to be in the public interest, including the obligation to begin any improvements on such real property required by the community redevelopment plan within a reasonable time.

(2) Such real property or interest shall be sold, leased, otherwise transferred, or retained at a value determined to be in the public interest for uses in accordance with the community redevelopment plan and in accordance with such reasonable disposal procedures as any county, municipality, or community redevelopment agency may prescribe. In determining the value of real property as being in the public interest for uses in accordance with the community redevelopment plan, the county, municipality, or community redevelopment agency shall take

into account and give consideration to the long-term benefits to be achieved by the county, municipality, or community redevelopment agency resulting from incurring short-term losses or costs in the disposal of such real property; the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the county, municipality, or community redevelopment agency retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. In the event the value of such real property being disposed of is for less than the fair value, such disposition shall require the approval of the governing body, which approval may only be given following a duly noticed public hearing. The county, municipality, or community redevelopment agency may provide in any instrument of conveyance to a private purchaser or lessee that such purchaser or lessee is without power to sell, lease, or otherwise transfer the real property without the prior written consent of the county, municipality, or community redevelopment agency until the purchaser or lessee has completed the construction of any or all improvements which he or she has obligated himself or herself to construct thereon. Real property acquired by the county, municipality, or community redevelopment agency which, in accordance with the provisions of the community redevelopment plan, is to be transferred shall be transferred as rapidly as feasible in the public interest, consistent with the carrying out of the provisions of the community redevelopment plan. Any contract for such transfer and the community redevelopment plan, or such part or parts of such contract or plan as the county, municipality, or community redevelopment agency may determine, may be recorded in the land records of the clerk of the circuit court in such manner as to afford actual or constructive notice thereof.

(3)(a) Prior to disposition of any real property or interest therein in a community redevelopment area, any county, municipality, or community redevelopment agency shall give public notice of such disposition by publication in a newspaper having a general circulation in the community, at least 30 days prior to the execution of any contract to sell, lease, or otherwise transfer real property and, prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite proposals from, and make all pertinent information available to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate a community redevelopment area or any part thereof. Such notice shall identify the area or portion thereof and shall state that proposals must be made by those interested within 30 days after the date of publication of the notice and that such further information as is available may be obtained at such office as is designated in the notice. The county, municipality, or community redevelopment agency shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out; and the county, municipality, or community redevelopment agency may negotiate with any persons for proposals for the purchase, lease, or other transfer of any real property acquired by it in the community redevelopment area. The county, municipality, or community redevelopment agency may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this part. Except in the case of a governing body acting as the agency, as provided in s. 163.357, a notification of intention to accept such proposal must be filed with the governing body not less than 30 days prior to any such acceptance. Thereafter, the county, municipality, or community redevelopment agency may execute such contract in accordance with the provisions of subsection (1) and deliver deeds, leases, and other instruments and take all steps necessary to effectuate such contract.

(b) Any county, municipality, or community redevelopment agency that, pursuant to the provisions of this section, has disposed of a real property project with a land area in excess of 20

acres may acquire an expanded area that is immediately adjacent to the original project and less than 35 percent of the land area of the original project, by purchase as provided in this chapter, and negotiate a disposition of such expanded area directly with the person who acquired the original project without complying with the disposition procedures established in paragraph (a), provided the county, municipality, or community redevelopment agency adopts a resolution making the following findings:

1. It is in the public interest to expand such real property project to an immediately adjacent area.
2. The expanded area is less than 35 percent of the land area of the original project.
3. The expanded area is entirely within the boundary of the community redevelopment area.
- (4) Any county, municipality, or community redevelopment agency may temporarily operate and maintain real property acquired by it in a community redevelopment area for or in connection with a community redevelopment plan pending the disposition of the property as authorized in this part, without regard to the provisions of subsection (1), for such uses and purposes as may be deemed desirable, even though not in conformity with the community redevelopment plan.
- (5) If any conflict exists between the provisions of this section and s. 159.61, the provisions of this section govern and supersede those of s. 159.61.
- (6) Notwithstanding any provision of this section, if a community redevelopment area is established by the governing body for the redevelopment of property located on a closed military base within the governing body's boundaries, the procedures for disposition of real property within that community redevelopment area shall be prescribed by the governing body, and compliance with the other provisions of this section shall not be required prior to the disposal of real property.

163.385 Issuance of revenue bonds.

(1)(a) When authorized or approved by resolution or ordinance of the governing body, a county, municipality, or community redevelopment agency has power in its corporate capacity, in its discretion, to issue redevelopment revenue bonds from time to time to finance the undertaking of any community redevelopment under this part, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans or preliminary loans, and has power to issue refunding bonds for the payment or retirement of bonds or other obligations previously issued. For any agency created before July 1, 2002, any redevelopment revenue bonds or other obligations issued to finance the undertaking of any community redevelopment under this part shall mature within 60 years after the end of the fiscal year in which the initial community redevelopment plan was approved or adopted. For any agency created on or after July 1, 2002, any redevelopment revenue bonds or other obligations issued to finance the undertaking of any community redevelopment under this part shall mature within 40 years after the end of the fiscal year in which the initial community redevelopment plan is approved or adopted. However, in no event shall any redevelopment revenue bonds or other obligations issued to finance the undertaking of any community redevelopment under this part mature later than the expiration of the plan in effect at the time such bonds or obligations were issued. The security for such bonds may be based upon the anticipated assessed valuation of the completed community redevelopment and such other revenues as are legally available.

Any bond, note, or other form of indebtedness pledging increment revenues to the repayment thereof shall mature no later than the end of the 30th fiscal year after the fiscal year in which increment revenues are first deposited into the redevelopment trust fund or the fiscal year in which the plan is subsequently amended. However, for any agency created on or after July 1, 2002, any form of indebtedness pledging increment revenues to the repayment thereof shall mature by the 40th year after the fiscal year in which the initial community redevelopment plan is approved or adopted. However, any refunding bonds issued pursuant to this paragraph may not mature later than the final maturity date of any bonds or other obligations issued pursuant to this paragraph being paid or retired with the proceeds of such refunding bonds.

(b) In anticipation of the sale of revenue bonds pursuant to paragraph (a), the county, municipality, or community redevelopment agency may issue bond anticipation notes and may renew such notes from time to time, but the maximum maturity of any such note, including renewals thereof, may not exceed 5 years from the date of issue of the original note. Such notes shall be paid from any revenues of the county, municipality, or community redevelopment agency available therefor and not otherwise pledged or from the proceeds of sale of the revenue bonds in anticipation of which they were issued.

(2) Bonds issued under this section do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and are not subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds. Bonds issued under the provisions of this part are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, are exempted from all taxes, except those taxes imposed by chapter 220 on interest, income, or profits on debt obligations owned by corporations.

(3) Bonds issued under this section shall be authorized by resolution or ordinance of the governing body; may be issued in one or more series; and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form either with or without coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment at such place or places, be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics as may be provided by such resolution or ordinance or by a trust indenture or mortgage issued pursuant thereto. Bonds issued under this section may be sold in such manner, either at public or private sale, and for such price as the governing body may determine will effectuate the purpose of this part.

(4) In case any of the public officials of the county, municipality, or community redevelopment agency whose signatures appear on any bonds or coupons issued under this part cease to be such officials before the delivery of such bonds, such signatures are, nevertheless, valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery.

(5) In any suit, action, or proceeding involving the validity or enforceability of any bond issued under this part, or the security therefor, any such bond reciting in substance that it has been issued by the county, municipality, or community redevelopment agency in connection with community redevelopment, as herein defined, shall be conclusively deemed to have been issued for such purpose, and such project shall be conclusively deemed to have been planned, located, and carried out in accordance with the provisions of this part.

(6) Subsections (1), (4), and (5), as amended by s. 14, chapter 84-356, Laws of Florida, do not apply to any governing body of a county or municipality or to a community redevelopment

agency if such governing body or agency has adopted an ordinance or resolution authorizing the issuance of any bonds, notes, or other forms of indebtedness to which is pledged increment revenues pursuant only to a community redevelopment plan as approved and adopted before chapter 84-356 became a law.

163.387 Redevelopment trust fund.

(1)(a) After approval of a community redevelopment plan, there may be established for each community redevelopment agency created under s. 163.356 a redevelopment trust fund. Funds allocated to and deposited into this fund shall be used by the agency to finance or refinance any community redevelopment it undertakes pursuant to the approved community redevelopment plan. No community redevelopment agency may receive or spend any increment revenues pursuant to this section unless and until the governing body has, by ordinance, created the trust fund and provided for the funding of the redevelopment trust fund until the time certain set forth in the community redevelopment plan as required by s. 163.362(10). Such ordinance may be adopted only after the governing body has approved a community redevelopment plan. The annual funding of the redevelopment trust fund shall be in an amount not less than that increment in the income, proceeds, revenues, and funds of each taxing authority derived from or held in connection with the undertaking and carrying out of community redevelopment under this part. Such increment shall be determined annually and shall be that amount equal to 95 percent of the difference between:

1. The amount of ad valorem taxes levied each year by each taxing authority, exclusive of any amount from any debt service millage, on taxable real property contained within the geographic boundaries of a community redevelopment area; and
2. The amount of ad valorem taxes which would have been produced by the rate upon which the tax is levied each year by or for each taxing authority, exclusive of any debt service millage, upon the total of the assessed value of the taxable real property in the community redevelopment area as shown upon the most recent assessment roll used in connection with the taxation of such property by each taxing authority prior to the effective date of the ordinance providing for the funding of the trust fund.

However, the governing body of any county as defined in s. 125.011(1) may, in the ordinance providing for the funding of a trust fund established with respect to any community redevelopment area created on or after July 1, 1994, determine that the amount to be funded by each taxing authority annually shall be less than 95 percent of the difference between subparagraphs 1. and 2., but in no event shall such amount be less than 50 percent of such difference.

(b)1. For any governing body that has not authorized by June 5, 2006, a study to consider whether a finding of necessity resolution pursuant to s. 163.355 should be adopted, has not adopted a finding of necessity resolution pursuant to s. 163.355 by March 31, 2007, has not adopted a community redevelopment plan by June 7, 2007, and was not authorized to exercise community redevelopment powers pursuant to a delegation of authority under s. 163.410 by a

county that has adopted a home rule charter, the amount of tax increment to be contributed by any taxing authority shall be limited as follows:

a. If a taxing authority imposes a millage rate that exceeds the millage rate imposed by the governing body that created the trust fund, the amount of tax increment to be contributed by the taxing authority imposing the higher millage rate shall be calculated using the millage rate imposed by the governing body that created the trust fund. Nothing shall prohibit any taxing authority from voluntarily contributing a tax increment at a higher rate for a period of time as specified by interlocal agreement between the taxing authority and the community redevelopment agency.

b. At any time more than 24 years after the fiscal year in which a taxing authority made its first contribution to a redevelopment trust fund, by resolution effective no sooner than the next fiscal year and adopted by majority vote of the taxing authority's governing body at a public hearing held not less than 30 or more than 45 days after written notice by registered mail to the community redevelopment agency and published in a newspaper of general circulation in the redevelopment area, the taxing authority may limit the amount of increment contributed by the taxing authority to the redevelopment trust fund to the amount of increment the taxing authority was obligated to contribute to the redevelopment trust fund in the fiscal year immediately preceding the adoption of such resolution, plus any increase in the increment after the adoption of the resolution computed using the taxable values of any area which is subject to an area reinvestment agreement. As used in this subparagraph, the term "area reinvestment agreement" means an agreement between the community redevelopment agency and a private party, with or without additional parties, which provides that the increment computed for a specific area shall be reinvested in services or public or private projects, or both, including debt service, supporting one or more projects consistent with the community redevelopment plan that is identified in the agreement to be constructed within that area. Any such reinvestment agreement must specify the estimated total amount of public investment necessary to provide the projects or services, or both, including any applicable debt service. The contribution to the redevelopment trust fund of the increase in the increment of any area that is subject to an area reinvestment agreement following the passage of a resolution as provided in this sub-subparagraph shall cease when the amount specified in the area reinvestment agreement as necessary to provide the projects or services, or both, including any applicable debt service, has been invested.

2. For any community redevelopment agency that was not created pursuant to a delegation of authority under s. 163.410 by a county that has adopted a home rule charter and that modifies its adopted community redevelopment plan after October 1, 2006, in a manner that expands the boundaries of the redevelopment area, the amount of increment to be contributed by any taxing authority with respect to the expanded area shall be limited as set forth in sub-subparagraphs 1.a. and b.

(2)(a) Except for the purpose of funding the trust fund pursuant to subsection (3), upon the adoption of an ordinance providing for funding of the redevelopment trust fund as provided in this section, each taxing authority shall, by January 1 of each year, appropriate to the trust fund for so long as any indebtedness pledging increment revenues to the payment thereof is outstanding (but not to exceed 30 years) a sum that is no less than the increment as defined and determined in subsection (1) or paragraph (3)(b) accruing to such taxing authority. If the community redevelopment plan is amended or modified pursuant to s. 163.361(1), each such taxing authority shall make the annual appropriation for a period not to exceed 30 years after the date the governing body amends the plan but no later than 60 years after the fiscal year in which

the plan was initially approved or adopted. However, for any agency created on or after July 1, 2002, each taxing authority shall make the annual appropriation for a period not to exceed 40 years after the fiscal year in which the initial community redevelopment plan is approved or adopted.

(b) Any taxing authority that does not pay the increment revenues to the trust fund by January 1 shall pay to the trust fund an amount equal to 5 percent of the amount of the increment revenues and shall pay interest on the amount of the unpaid increment revenues equal to 1 percent for each month the increment is outstanding, provided the agency may waive such penalty payments in whole or in part.

(c) The following public bodies or taxing authorities are exempt from paragraph (a):

1. A special district that levies ad valorem taxes on taxable real property in more than one county.
2. A special district for which the sole available source of revenue the district has the authority to levy is ad valorem taxes at the time an ordinance is adopted under this section. However, revenues or aid that may be dispensed or appropriated to a district as defined in s. 388.011 at the discretion of an entity other than such district shall not be deemed available.
3. A library district, except a library district in a jurisdiction where the community redevelopment agency had validated bonds as of April 30, 1984.
4. A neighborhood improvement district created under the Safe Neighborhoods Act.
5. A metropolitan transportation authority.
6. A water management district created under s. 373.069.

(d)1. A local governing body that creates a community redevelopment agency under s. 163.356 may exempt from paragraph (a) a special district that levies ad valorem taxes within that community redevelopment area. The local governing body may grant the exemption either in its sole discretion or in response to the request of the special district. The local governing body must establish procedures by which a special district may submit a written request to be exempted from paragraph (a).

2. In deciding whether to deny or grant a special district's request for exemption from paragraph (a), the local governing body must consider:

- a. Any additional revenue sources of the community redevelopment agency which could be used in lieu of the special district's tax increment.
- b. The fiscal and operational impact on the community redevelopment agency.
- c. The fiscal and operational impact on the special district.
- d. The benefit to the specific purpose for which the special district was created. The benefit to the special district must be based on specific projects contained in the approved community redevelopment plan for the designated community redevelopment area.
- e. The impact of the exemption on incurred debt and whether such exemption will impair any outstanding bonds that have pledged tax increment revenues to the repayment of the bonds.
- f. The benefit of the activities of the special district to the approved community redevelopment plan.
- g. The benefit of the activities of the special district to the area of operation of the local governing body that created the community redevelopment agency.

3. The local governing body must hold a public hearing on a special district's request for exemption after public notice of the hearing is published in a newspaper having a general circulation in the county or municipality that created the community redevelopment area. The notice must describe the time, date, place, and purpose of the hearing and must identify generally

the community redevelopment area covered by the plan and the impact of the plan on the special district that requested the exemption.

4. If a local governing body grants an exemption to a special district under this paragraph, the local governing body and the special district must enter into an interlocal agreement that establishes the conditions of the exemption, including, but not limited to, the period of time for which the exemption is granted.

5. If a local governing body denies a request for exemption by a special district, the local governing body shall provide the special district with a written analysis specifying the rationale for such denial. This written analysis must include, but is not limited to, the following information:

a. A separate, detailed examination of each consideration listed in subparagraph 2.

b. Specific examples of how the approved community redevelopment plan will benefit, and has already benefited, the purpose for which the special district was created.

6. The decision to either deny or grant an exemption must be made by the local governing body within 120 days after the date the written request was submitted to the local governing body pursuant to the procedures established by such local governing body.

(3)(a) Notwithstanding the provisions of subsection (2), the obligation of the governing body which established the community redevelopment agency to fund the redevelopment trust fund annually shall continue until all loans, advances, and indebtedness, if any, and interest thereon, of a community redevelopment agency incurred as a result of redevelopment in a community redevelopment area have been paid.

(b) Alternate provisions contained in an interlocal agreement between a taxing authority and the governing body that created the community redevelopment agency may supersede the provisions of this section with respect to that taxing authority. The community redevelopment agency may be an additional party to any such agreement.

(4) The revenue bonds and notes of every issue under this part are payable solely out of revenues pledged to and received by a community redevelopment agency and deposited to its redevelopment trust fund. The lien created by such bonds or notes shall not attach until the increment revenues referred to herein are deposited in the redevelopment trust fund at the times, and to the extent that, such increment revenues accrue. The holders of such bonds or notes have no right to require the imposition of any tax or the establishment of any rate of taxation in order to obtain the amounts necessary to pay and retire such bonds or notes.

(5) Revenue bonds issued under the provisions of this part shall not be deemed to constitute a debt, liability, or obligation of the public body or the state or any political subdivision thereof, or a pledge of the faith and credit of the public body or the state or any political subdivision thereof, but shall be payable solely from the revenues provided therefor. All such revenue bonds shall contain on the face thereof a statement to the effect that the agency shall not be obligated to pay the same or the interest thereon except from the revenues of the community redevelopment agency held for that purpose and that neither the faith and credit nor the taxing power of the governing body or of the state or of any political subdivision thereof is pledged to the payment of the principal of, or the interest on, such bonds.

(6) Moneys in the redevelopment trust fund may be expended from time to time for undertakings of a community redevelopment agency as described in the community redevelopment plan for the following purposes, including, but not limited to:

(a) Administrative and overhead expenses necessary or incidental to the implementation of a community redevelopment plan adopted by the agency.

- (b) Expenses of redevelopment planning, surveys, and financial analysis, including the reimbursement of the governing body or the community redevelopment agency for such expenses incurred before the redevelopment plan was approved and adopted.
 - (c) The acquisition of real property in the redevelopment area.
 - (d) The clearance and preparation of any redevelopment area for redevelopment and relocation of site occupants within or outside the community redevelopment area as provided in s. 163.370.
 - (e) The repayment of principal and interest or any redemption premium for loans, advances, bonds, bond anticipation notes, and any other form of indebtedness.
 - (f) All expenses incidental to or connected with the issuance, sale, redemption, retirement, or purchase of bonds, bond anticipation notes, or other form of indebtedness, including funding of any reserve, redemption, or other fund or account provided for in the ordinance or resolution authorizing such bonds, notes, or other form of indebtedness.
 - (g) The development of affordable housing within the community redevelopment area.
 - (h) The development of community policing innovations.
 - (7) On the last day of the fiscal year of the community redevelopment agency, any money which remains in the trust fund after the payment of expenses pursuant to subsection (6) for such year shall be:
 - (a) Returned to each taxing authority which paid the increment in the proportion that the amount of the payment of such taxing authority bears to the total amount paid into the trust fund by all taxing authorities for that year;
 - (b) Used to reduce the amount of any indebtedness to which increment revenues are pledged;
 - (c) Deposited into an escrow account for the purpose of later reducing any indebtedness to which increment revenues are pledged; or
 - (d) Appropriated to a specific redevelopment project pursuant to an approved community redevelopment plan which project will be completed within 3 years from the date of such appropriation.
 - (8) Each community redevelopment agency shall provide for an audit of the trust fund each fiscal year and a report of such audit to be prepared by an independent certified public accountant or firm. Such report shall describe the amount and source of deposits into, and the amount and purpose of withdrawals from, the trust fund during such fiscal year and the amount of principal and interest paid during such year on any indebtedness to which increment revenues are pledged and the remaining amount of such indebtedness. The agency shall provide by registered mail a copy of the report to each taxing authority.

All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking or investment business; all insurance companies, insurance associations, and other persons carrying on an insurance business; and all executors, administrators, curators, trustees, and other fiduciaries may legally invest any sinking funds, moneys, or other funds belonging to them or within their control in any bonds or other obligations issued by a county or municipality pursuant to this part or by any community redevelopment agency vested with community redevelopment powers. Such bonds and other obligations shall be authorized security for all

It is the purpose of this section to authorize all persons, political subdivisions, and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. 163.395 Property exempt from taxes and from levy and sale by virtue of an execution.

(1) All property of any county, municipality, or community redevelopment agency, including funds, owned or held by it for the purposes of this part are exempt from levy and sale by virtue of an execution; and no execution or other judicial process may issue against the same, nor shall judgment against the county, municipality, or community redevelopment agency be a charge or lien upon such property. However, the provisions of this section do not apply to or limit the right of obligees to pursue any remedies for the enforcement of any pledge or lien given pursuant to this part by the county or municipality on its rents, fees, grants, or revenues from community redevelopment.

(2) The property of the county, municipality, or community redevelopment agency acquired or held for the purposes of this part is declared to be public property used for essential public and governmental purposes, and such property is exempt from all taxes of the municipality, the county, or the state or any political subdivision thereof. However, such tax exemption will terminate when the county, municipality, or community redevelopment agency sells, leases, or otherwise disposes of such property in a community redevelopment area to a purchaser or lessee which is not a public body entitled to tax exemption with respect to such property.

(c) Do any and all things necessary to aid or cooperate in the planning or carrying out of a community redevelopment plan and related activities.

(d) Lend, grant, or contribute funds to a county or municipality; borrow money; and apply for and accept advances, loans, grants, contributions, or any other form of financial assistance from the Federal Government, the state, the county, another public body, or any other source.

(e) Enter into agreements, which may extend over any period, notwithstanding any provision or rule of law to the contrary, with the Federal Government, a county, a municipality, or another public body respecting action to be taken pursuant to any of the powers granted by this part, including the furnishing of funds or other assistance in connection with community redevelopment and related activities.

If at any time title to or possession of any property in a community redevelopment area is held by any public body or governmental agency, other than the county or municipality, but including any agency or instrumentality of the United States, which is authorized by law to engage in the undertaking, carrying out, or administration of community redevelopment and related activities, the provisions of the agreements referred to in this section shall inure to the benefit of and may be enforced by such public body or governmental agency. (4) For the purposes of this section, or for the purpose of aiding in the planning, undertaking, or carrying out of community redevelopment and related activities of a county or municipality, such county or municipality may, in addition to any authority to issue bonds pursuant to s. 163.385, issue and sell its general obligation bonds. Any bonds issued by the county or municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by the applicable laws of this state for the issuance and authorization of general obligation bonds by such county or municipality. 163.410 Exercise of powers in counties with home rule charters.

In any county which has adopted a home rule charter, the powers conferred by this part shall be exercised exclusively by the governing body of such county. However, the governing body of any such county which has adopted a home rule charter may, in its discretion, by resolution delegate the exercise of the powers conferred upon the county by this part within the boundaries of a municipality to the governing body of such a municipality. Such a delegation to a municipality shall confer only such powers upon a municipality as shall be specifically enumerated in the delegating resolution. Any power not specifically delegated shall be reserved

exclusively to the governing body of the county. This section does not affect any community redevelopment agency created by a municipality prior to the adoption of a county home rule charter. Unless otherwise provided by an existing ordinance, resolution, or interlocal agreement between any such county and a municipality, the governing body of the county that has adopted a home rule charter shall grant in whole or in part or deny any request from a municipality for a delegation of powers or a change in an existing delegation of powers within 120 days after the receipt of all required documentation, or such request shall be deemed granted unless this period is extended by mutual consent in writing by the municipality and county. Within 30 days after receipt of the request, the county shall notify the municipality by registered mail whether the request is complete or if additional information is required. Any request by the county for additional documentation shall specify the deficiencies in the submitted documentation, if any. The county shall notify the municipality by registered mail within 30 days after receiving the additional information whether such additional documentation is complete. If the meeting of the county commission at which the request for a delegation of powers or a change in an existing delegation of powers is unable to be held due to events beyond the control of the county, the request shall be acted upon at the next regularly scheduled meeting of the county commission without regard to the 120-day limitation. If the county does not act upon the request at the next regularly scheduled meeting, the request shall be deemed granted.

163.415 Exercise of powers in counties without home rule charters.

The powers conferred by this part upon counties not having adopted a home rule charter shall not be exercised within the boundaries of a municipality within said county unless the governing body of the municipality expresses its consent by resolution. Such a resolution consenting to the exercise of the powers conferred upon counties by this part shall specifically enumerate the powers to be exercised by the county within the boundaries of the municipality. Any power not specifically enumerated in such a resolution of consent shall be exercised exclusively by the municipality within its boundaries.

L. No. 90-448) or in any amendments subsequent thereto.
