

PROCUREMENT DIVISION

Addendum Number: One (1)
Proposal Number: P-27-14
Title of RFP: Community Redevelopment Area (CRA) Plan for the Village of Mayport
Due Date and Time: Wednesday, June 11, 2014, 2:00 p.m. ET

This addendum is issued for the information of proposers on the above titled project. This addendum will take precedent over the original RFP should there be any discrepancies noted.

The following is the question received and the answer to the question regarding the above referenced Request for Proposal:

1. Page 3, paragraph 1.4, item 1, requests that "a project portfolio related to the above tasks must be submitted in a media of the Consultant's choosing". Can you tell me if you are looking for one page project descriptions or are you looking for copies of completed reports for similar projects?

Answer: it is the vendor's choice as to how they present their previous works. We certainly do not expect to see duplicate copies of their complete projects, but an Executive Summary, graphics, and some portions of visual presentations within their applicable projects will enable the committee to better evaluate the depth of their experience.
