Leadership, Values, and Ethics

### The Inseparables: Leadership, Values, and Ethics

*"Culture eats strategy for breakfast."* ~ Peter Drucker

Leadership, ethical climate, and culture management increasingly correlate with strategic advantages for reputational and financial performance.

This seminar provides leaders with frameworks and practical principles to develop a corporate culture that emphasizes ethical actions aligned with gaining better business results. You will leave with strategies to communicate ethics and values so that strength of character runs through every breath in the organization.

- Assess the impact of your leadership approach
- Examine the role and behaviors of an ethical leader
- Conduct a corporate values analysis
- Identify ways to encourage ethical decision actions
- Discuss dealing with the ethics of vendors/customers
- Analyze the cost benefit of ethics
- Discuss gray areas and how to address them
- Plan for actions in your own organization

*"When it comes to ethics, everything a leader does sets a tone."*
