

D2 LOCAL GOVERNMENT TRANSPORTATION SUMMIT

— 2016 —

Programs for your community!

2016 Local Government Transportation Summit

Event Overview

The D2 Local Government Transportation Summit is an opportunity for Local Government representatives to learn about the various programs and funding opportunities that the FDOT District 2 offers to support your community and its vision.

The event focuses on:

- Discussing new and ongoing funding programs
- Explaining what projects and activities are eligible for funding
- Learning about new project data and technologies
- Introducing new policy changes that will impact the operations of our partnership
- Recognizing the success of our partnership

In addition to the discussion of the various programs you'll have the opportunity to meet with FDOT experts and discuss specific projects and project solicitations.

Target Audience

Local Government Public Works professionals, county administrators, planners, and grant specialists involved in project solicitation and development.
