

2016 Florida Redevelopment Awards

# CALL FOR ENTRIES

Roy F. Kenzie Awards

---

The **Florida Redevelopment Association (FRA)** is an organization dedicated to assisting Florida professionals and volunteers in revitalizing their communities. The mission of the FRA is to provide opportunities for members to collectively address redevelopment issues, provide legislative advocacy, and serve as Florida's most comprehensive resource for redevelopment news and strategies.

---

Applications will be accepted from any FRA member who meets the award criteria and submits the \$150 entry fee. A winning entry is an acknowledgment of excellence for the work an organization is doing.

All entries will be evaluated on the effectiveness and completeness of the entry – the narrative, supplemental media and compliance with the submittal instructions. A cross section of Florida redevelopment professionals, individuals and business organizations will evaluate and rank all submissions.

2

All winners will receive a trophy presented at the awards ceremony during the FRA annual conference in October (see [www.redevelopment.net](http://www.redevelopment.net)). In addition, all winners will have an opportunity to further showcase their project at a tabletop display at the conference. Both winners and applicants will be included in the "Best Book," a publication featuring the award winners and nominations each year. Previous year publications are posted at [www.redevelopment.net](http://www.redevelopment.net).

We look forward to seeing and hearing about all of the exciting redevelopment advocates and projects that you are working on throughout the state.

**NOTE:** All projects, events and programs must have been completed or implemented by June 3, 2016, to be considered for an award. In order for a study to be eligible, it must have been approved by the city or county commission. Also, before and after photos are required for any redevelopment hardscape project submitted.

**THIS YEAR'S ENTRY DEADLINE IS JUNE 3, 2016.**

## ROY F. KENZIE AWARDS PROGRAM

**Roy Kenzie** was the first director of the Miami Downtown Development Authority and a past president of the Florida Downtown Development Association. During the early 1980s, huge numbers of Cuban immigrants flooded the streets of downtown Miami in make-shift tents, and services and funding were stretched to an overwhelming level. Roy showed extraordinary leadership by gathering community, city and county leaders to implement practical and financial support, from wherever it was available. The bridge over the Miami River between downtown and Brickell Avenue is also named in his memory.
