The Boynton Harbor Marina Redevelopment Project
100 Word Description

The Boynton Harbor Marina is the eastern anchor to Boynton Beach's downtown district and continues to add to the overall success of the CRA's redevelopment efforts. January 2017 marks the completion of the final phase, the Marina Open Space Project, one of three redevelopment phases of the Marina Redevelopment Plan. The completion of the Boynton Harbor Marina Redevelopment Project creates an attractive functional economic driver and is an integral component of the Boynton Beach Downtown Vision & Master Plan and 2016 Boynton Beach Community Redevelopment Plan.
