SMARTWATER CSI — WORKING IN PARTNERSHIP TO DETER CRIME. THIEVES BEWARE

In the coming weeks, Clean and Safe Ambassadors will be in your community signing up households and passing out SMARTWATER™ kits, along with instructions on how to use them.   The SMARTWATER™ kit is free of charge to all residents in the Riviera Beach Heights Community who live between West 10th Street and West 6th Street and East and West, between Australian Avenue and Old Dixie Highway. Furthermore, we will be starting up a Neighborhood Watch Program to ensure that this community is a safe and welcoming environment for all.   Our goal is to introduce these initiatives to help change the perception of crime in Riviera Beach**.   WE ALL HAVE TO DO OUR PART. IT STARTS WITH YOU. HELP KEEP YOUR COMMUNITY CLEAN AND SAFE.**
