Margate

A vibrant, retro-style poster for the 'Margate Under the Moon' festival. The background is a dark teal space with yellow stars and a large, stylized blue and yellow 'M' shape. A large, glowing pink and yellow arrow points from the 'M' towards the right. The main title 'MARGATE UNDER THE MOON' is in a large, blue, outlined font within a black oval. Below the title, there are silhouettes of people dancing, a person at a chalkboard, and a band performing. The poster lists festival activities, dates, times, and location, all in bold, colorful text boxes. At the bottom, there's a website URL, a hashtag, and contact information.
