## NEIGHBORHOOD ENHANCED PAINT PROGRAM

The Hallandale Beach Community Redevelopment Agency (HBCRA) has created the Neighborhood Enhanced Paint Program for single-family residential homes within the HBCRA. This exciting new program will include the painting of homes, and the installation of new landscaping FREE of cost to homeowners, up to \$5,000 in total.

This program is designed specifically to initially target areas where the HBCRA has constructed infill homes that were sold to affordable housing buyers. Once those areas are beautified, the HBCRA will proceed to paint homes on other designated streets.

Owners of multi-unit dwellings, whose property may not fall under the parameters of this program, are encouraged to utilize the regular Paint Program (see information below)

For more details about this new paint/landscaping program,  
please contact the  
HBCRA office at (954) 457-1422 or (954) 457-2228.
