

**FLORIDA REDEVELOPMENT ASSOCIATION
ANNUAL CONFERENCE SESSION SUBMITTAL FORM**

DEADLINE FOR SUBMITTAL = JANUARY 31 BEFORE CONFERENCE

Generally, we like to have two- three speakers from different sides of the topic, public, private, and a CRA resident, citizen, elected official, non-profit, etc. who all are/were involved locally or statewide in the topic. However, we like mixing it up, so if you can involve those folks in some interesting way, i.e. TED talk style, TV interview style, something that will appeal to your audience, that is new, go for it! The moderator can be the same as one of the speakers.

Last year's program can be seen online under 2018 annual conference, for some examples. BUT we like to have a fresh conference each year, with all kinds of good stories, presented in a way meaningful to YOU, and if they make sense to you, they will probably make sense to our attendees! This is why we ask our members to suggest topics and speakers – you know much better than us who is doing what regarding great things in the state!
