RE: Florida Redevelopment Association – Lake Worth CRA Award Application

Dear Selection Committee Members;

On behalf of the Lake Worth Rotary Club, I would like to express our full support for the City of Lake Worth Beach's annual Dia De Los Muertos Festival award application. This free celebration, held each November in downtown Lake Worth Beach, features a parade, authentic Central American cuisine, musical performances, craft activities for the youth and more. The Rotary Club of Lake Worth has always fully supported the efforts of the Lake Worth CRA and their efforts to revive an underserved but important area of the City. The Rotary Club offers financial and volunteer support to this event as one of the many proud sponsors.

The missions of the CRA/Dia De Los Muertos event and the Rotary Club are similar in that we both strive to bring people from all continents and cultures together to exchange ideas and form friendships and professional connections while making a difference in their community.

I hope you too will support the Lake Worth CRA award application as they continue their efforts to progress our community.

Please feel free to contact me if you need any additional information.

Sincerely,

Chris Dabros,
Immediate Past President 2018/2019
