DOWNTOWNBOCA

Project Description: **SANBORN SQUARE COMMUNITY ENGAGEMENT & PLACEMAKING**

Engaging residents, locals and visitors to Downtown Boca is a vital part of maintaining a vibrant and welcoming downtown district. The Boca Raton Community Redevelopment Agency (CRA) continually strives to meet this vision and has implemented the **Sanborn Square Community Engagement & Placemaking** project to further achieve its goals.

The project consisted of new public engagement activities and placemaking enhancements to Sanborn Square, a green space in the heart of the downtown district. Enhancements included festoon and architectural lighting, bistro tables and chairs, shade umbrellas and cornhole. Today, Sanborn Square is an active and social destination for Downtown Boca residents and visitors and benefits local businesses who enjoy increased consumer traffic in the area.
