

# PLANNING FOR ECONOMIC RECOVERY

Created by the Federal Emergency Management Agency (FEMA), the International City/County Managers Association (ICMA), and the International Economic Development Council (IEDC).

This four-hour, in-person training course is designed to give participants the knowledge they need to strengthen their communities for economic resilience and recovery. Central topics include:

- Capacity building for economic resilience and recovery
- Financing for economic recovery and investment in resilient infrastructure
- Pre-crisis planning that supports post-disaster economic recovery
