

Florida Redevelopment Association ■ Membership Application

PLEASE NOTE: A membership in the FRA is designed for the entity, not the individual, joining. Therefore, all benefits of membership extend to any person who is employed by that entity or its volunteers. Individual memberships will be accepted; however, only the person's name, and not the entity, will be listed in the FRA membership directory. To determine the amount of dues that should be paid by your city, county, company or CRA, please go by the amount of money spent or collected for redevelopment purposes. Thank you!

WHY JOIN?

The Florida Redevelopment Association is an association whose mission is to:

- Provide a forum for members to share knowledge and common experiences regarding redevelopment opportunities and problems.
- Encourage adoption of legal and financial tools and programs favorable to community redevelopment.
- Serve as a statewide clearinghouse for redevelopment information.

The FRA is governed by a board of directors elected by the membership and staffed in Tallahassee, Fla. As advocates for redevelopment interests statewide, our association is separate and apart from all other organizations, public and private.

An important function of the FRA is to advocate on behalf of community redevelopment. We support the ability of local governments to create and effectively use community redevelopment agencies to redevelop and revitalize their urban areas. This includes the use of increment financing. We further support local control and disposition of any disputes between local governments over the use of such agencies and financing.

The most immediate services we provide to you are networking opportunities with other members and quality educational programs.

Membership is by city, county, nonprofit or business, so all employees of that entity are entitled to the discounts and services at FRA programs and conferences.

To join and begin receiving benefits for you, your business or your local government, fill out the accompanying membership application and mail to: FRA, P.O. Box 1757, Tallahassee, FL 32302-1757.

THE FLORIDA REDEVELOPMENT ASSOCIATION

The Florida Redevelopment Association brings together professionals from around the state who are involved in preserving and improving Florida's communities.

Founded in 1974 to promote redevelopment and growth of downtowns, the original base was businesses and Downtown Development Authorities. The focus was later broadened to encompass community redevelopment agencies and Main Street Programs. Today, the FRA also includes consultants, vendors, nonprofit organizations, developers and other redevelopment entities. Our goal is to be a comprehensive association for all players in Florida's urban revitalization network.
